

## **2007 Horse of the Americas Annual Meeting**

This year's annual meeting will be held October 5, 6, & 7 at John & Penny Hatke's **Hickory Springs Horse Campground** in Attica, Indiana.

The Hatke's have plenty of room for both primitive (tent) and RV camping and will be free of charge for our HOA members. There is an outbuilding with 2 bathrooms, and 2 showers. Additional port-a-let units are planned for camper's convenience. There are a limited number of electrical hook-ups available for RV's. Those who will require electrical hook-ups are requested to contact the Hatke's. Camping is free & right on the premises. Also note, there will be plenty of free hay for the horses as well as divided areas for corralling them safely.

### **CONTACT:**
