

2009 Horse of the Americas Annual Meeting

The 209 HOA meeting will be at the Eagle Ranch Trails in Collins, Missouri. Their website is www.eagleranchtrails.com. We have reservations in for the Meeting but we won't have the whole place so if anyone wants a cabin, they will need to reserve it early and let them know it is for the HOA Meeting.

The campground has extensive facilities for horses as that was the original primary focus of the site. The stalls are steel buildings, measuring 10 feet by 10 feet. In addition, grooming facilities are available for the care of your horses. The campground boasts 30 campsites with electric hook-ups, 4 sleeping cabins, and many primitive campsites.

Expect more information as we get closer to the 2009 Annual Meeting.
