

## NATRC recognizes HOA

The North American Trail Ride Conference has recognized The Horse of the Americas. I encourage all HOA registered horses that compete in NATRC to use their HOA registration papers when you enter an approved ride. NATRC will allow you to compete under only one registration. So if a horse is registered with more than one registry, you have to pick one. This year use your HOA registry papers, please, and help us get HOA recognized as a Spanish Mustang Registry with NATRC.

For more information on NATRC visit their website at <http://www.natrc.org/>
