## Black Sparrow Hawk aka "Cowpoke"

SMR# 2733, HOA, SSMA, and AIHR-O eligible.

May, 13, 1999 Silver Grulla Stallion, 14.1/2hh

"Cowpoke" needs to go to a home that understands stallions

He was exposed to some preliminary **Parelli** methods last summer and didn't flinch at the 7 games and in fact loved the attention.

He'd be great with a job to do or as a gelding with a job to do it seems like he'd be easy to gentle.

Leads, gives to pressure, loads, is good with the vet and rarely needs a farrier.  
Video and current photos available upon request

Sired by: [Ghost Warrior](#) ( Special Warrior x Sioux Mi) SMR# 1998  
Out of: [Little Valley](#) ( Jack Slade x Valley Fever ) SMR# 1543

Please email [Duane White](#) or call for more information.

Price reduced to: **\$1200 OBO** to the right situation!

A change in what we are breeding for is why Cowpoke and some mares are now for sale.

If you would like him and his mares we can work out a package deal!
